

A black and white photograph of a field of poppies. In the foreground, several poppies are in various stages of bloom and as seed pods. One large, fully bloomed flower is the central focus, with its petals showing some darker shading. To its left, another flower is partially visible. Below and around them are several seed pods on thin stems. The background is a soft-focus field of many more poppies, creating a sense of depth. The overall mood is serene and contemplative.
